A wagon load of Christian Church members from this city, headed by Rev. Roger L. Clark, attended Church at Washington Tuesday night.

Yesterday afternoon while playing Wild West fashion, near their homes in the East End, Hiram Whittington, aged 12, accidentally shot William Enoch, aged 9, in the face with a flint rifle. Fortunately the wound is a slight one.

The imports of potatoes into the United States this spring have been enormous. The receipts for the first three months of 1909 were 3,629,158 bushels, against 128,676 bushels in the same period last year. Heavy cargoes have come from Europe, and shipments have been made from Mexico.

The alarm of fire last evening between 5 and 6 o'clock was caused by a blaze in a double frame cottage in Casto street belonging to Mrs. Sarah Lally and occupied by Mr. Alfred Cline and Mr. Joseph Switzer. The fire was caused by a defective flue. Owing to the prompt and efficient work of the Neptune Fire Company the damage to building will not exceed \$200. The occupants' loss on furniture by water was considerable. Mrs. Lally was fully insured, while the tenants were less fortunate.

Refrigerators

A good Refrigerator is one of the best investments you can make; a poor Refrigerator is one of the worst. A good Refrigerator preserves your food at little cost; a poor one endangers your life by spoiling your food and at a large cost of ice.

We Carry Several Lines of Refrigerators!

And they are all considered by experts as the best Refrigerators on the market, price, quality and merit considered. They are odorless, sanitary, germ proof, and will last for a generation. Construction and insulation throughout are the best that science can suggest.

Our Refrigerators Are Made of the Highest Grade Quartered Oak and Lined Throughout With Galvanized Iron, Non-Rustable. : : : : :
They save their cost in ice in one season. We can give you some valuable information about Refrigerators.

Council met in adjourned session last night to take action on the sidewalk ordinance.

The new bell for the Amazon Fire Company has arrived and is being placed in the cupola of their Hall in Lexington street. The bell, when placed in position, will stand the Company something over \$170.

The first steamboat of practical use on the Ohio river was the New Orleans, completed and made ready for service March 17th, 1811, and the only cabin boy named Seawles was afterward a wealthy resident of Covington in 1853.

Swine raisers in the alfalfa growing sections frequently make the claim that cholera is unknown where alfalfa flourishes most, and that hogs given all the alfalfa they will eat in a properly balanced ration, develop greater vitality and ability to resist disease than would otherwise be the case.

Rust and scale are threatening the crop of wheat in Central Kentucky, as the rainfall for this month promises to be a record breaker. The total rainfall for June last year was 1.9, but the rainfall this month up to date is 3.12 inches.

At Cincinnati the arbitrators in the controversy between T. H. Kirk and the Burley Tobacco Society of Kentucky decided in favor of Mr. Kirk. The tobacco he purchased is to be sold at once and the Society is to pay him the difference between the selling price and the market of last winter.

THE CONSTIPATION EVIL

Is Responsible For Most Cases of Piles

Constipation paralyzes the blood vessels of the lower bowel and often causes piles. Women and all other indoor workers are the most frequent sufferers. But curing constipation alone won't cure piles. A special medicine is needed—internal treatment to strengthen the flabby veins and start pure blood circulating.

Dr. Leonhardt's Hem-Roid is the only internal pile cure. Sold under guarantee. \$1 at J. James Wood & Son's, Maysville, Ky., or Dr. Leonhardt Co., Station B, Buffalo, N. Y. Write for booklet.

Last night's Time-Star says: "Lycurgus Stickley, 48, of Latonia avenue, Latonia, was reported as missing to the Covington police." Mr. Stickley was formerly of this city, where he has many relatives and friends.

News reaches here that the residence of Dr. J. P. Wallace, formerly of this city, now one of Pinkerton's famous sleuths of Chicago, was robbed some days ago, and among articles stolen was a handsome diamond pin. How about it, Doc?

A West Union fisherman is authority for the statement that if the boy in search of fish bait only knew that no better bait can be obtained for sun fish, perch or cat fish than potato bugs, he could make a double-header by harvesting a crop of bugs for bait and at the same time do a stunt toward a crop of potatoes.

THE PEOPLE ALL

In Chorus Cried, Give Us Newbro's Herpicide.

This word of late has been in everyone's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Well, for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." Now "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. 21 Bottles Guaranteed.
